*Key updates and highlights from the Kalaari Family / September 2021*

Connected 

 **skit**

**weRize**

 **DIGANTARA**

**2021, Seed**

**We welcome ConnectedH, a recent addition to the Kalaari Family.**

**ConnectedH is a full stack enabler for diagnostic centres helping them focus on testing while taking care of all other aspects.**

**We are proud to partner with Shubham Gupta, Suresh Singh & Rahul Kumar in their journey to digitising the \$10B diagnostics industry in India.**

**Since 2017, Seed**

**Skit (formerly Vernacular.ai) recently announced its Series B  
fundraise.**

**Congratulations Sourabh Gupta, Akshay Deshraj, and the entire team  
on this milestone. We are proud to be early partners in your journey  
to redefine the way businesses interact with their customers.**

**Since 2019, Series A**

**weRize (formerly MoneyOnClick) recently announced its Series A  
fundraise.**

**Congratulations to Vishal Chopra & Himanshu Gupta on this  
milestone. We look forward to seeing you build the first socially  
distributed full stack financial services platform for families in small  
town India.**

**2021, Seed**

**Digantara introduced their Space-MAP (Space Mission Assurance Platform).**

**Their patented payload can provide high fidelity data at 10x higher resolution than the current industry standards.**

**Congratulations Anirudh Sharma, Tanveer Ahmed, and Rahul Rawat. We're proud to be early partners in your journey to make space accessible to all.**
